

Safe. Efficient. Strong.

2-Person Man Baskets

Model CPP-G2A

Leading the industry in Man Baskets for cranes.

For safety, quality and practicality choose a two-person man basket by Boscaro. Thanks to the basket's removable roof you can switch between having an open or closed top. This gives your personnel the room they need to work and allows the basket to be used in a wider range of projects.

All Boscaro below-the-hook accessories are certified for use across North America and meet or exceed ASME B-TH1/B30.20 standards.

Each unit comes with a dedicated serial number and conformity statement which ensures compliance with ASME.

FEATURES

- Removable roof gives you 2 man baskets in 1
- Equipped with a 24" tool crib
- Castor rollers prevent damage to building
- EZ™ Test Weight System can be attached or removed in seconds

"The best money we've ever spent on crane accessories."
